

Lectures & Workshops Contract

Thanks for considering me. I am honored to stand before your group and share the best that I have. I design *all* my classes and lectures to be encouraging, entertaining and educational.

• **About me** – With over 150 videos for Fons & Porter, Quiltmaker magazine and others and several published quilt designs I bring experience, quilt knowledge and professional speaking to your group. Not only do I share humorous and relatable quilt stories, I also provide practical ideas for every attendee. I thrive on answering questions, providing solutions and taking the fear out of quilting.

• **Virtual or On-Location?** Which are you interested in? Contact me right away to check dates! You have a dream date in mind and I want to save it just for you. Read over my descriptions, requirements, and, associated fees. Let me know, as soon as possible, if you have any questions or concerns. After we have sorted out the details, fill in this contract, sign, date and return to me. I will sign and return to you.

• **Virtual – All Lectures and Workshops can all be done virtually using Zoom.** I will offer a discount, good for 48 hours after the event on all my merchandise. No recording of the presentation can be done by the guild without written permission.

• **On-Location - When I come for a visit** – 1. There is a *minimum* requirement of two events. You may make it any combination of lectures and workshops. 2. I will be selling merchandise at these events. Please double-check that sales are allowed. *If I drive* – Mileage (round-trip and in-town) will be charged at the current IRS rate. *If I fly* - guilds are responsible for reimbursement of the purchased refundable tickets *as soon as* I provide receipts. Guilds are also responsible for other expenses including fees for checked baggage and shipping. *Where am I going to stay and eat?* If your guild or shop is within 100 miles of Denver CO, no lodging will be required, except in the event of bad weather. I am fine with a private room in a home or hotel room with a room entrance in a secure lobby. If I am on my own for meals between your events, I will provide receipts for reimbursement, not to exceed the current IRS per diem rate. *When I lecture.* To provide a great lecture for you, I need a few things: 1. Microphone, 2. One or two quilt stands, 3. One or two long tables, 4. Two or three helpers, with holding-and-folding and sales. *When I teach* - Fees for workshops are based on a class size up to 20 students. I charge an additional fee of \$25 per student but I have to limit it to 40. The equipment I need will vary depending on the workshop. However, plan on two tables and chairs up front.

• **Need to cancel?** If you need to cancel this contract prior to 6 months before the contracted dates, there is no cancellation fee. If you cancel within 6 months of the contracted dates, the guild will be charged a \$200.00 cancellation fee. Before cancelling, contact me and see if we can reschedule. You have come this far, I would hate to lose you!
